

About Reflections of the Father's Heart

CONCERNING THE USE OF NUMBERS BEFORE THE PROPHECIES AND QUOTATION MARKS AROUND CERTAIN WORDS OR GROUPS OF WORDS FOUND IN REFLECTIONS OF THE FATHER'S HEART

The "numbers" in front of the prophecies contained in "Reflections of the Father's Heart" *[all volumes]* are simply for study purposes. The Lord gave me this revelation some time ago, and it has been a great help in studying the various words, and pinpointing exactly where a certain prophecy dealing with a certain subject is.

The use of "quotation marks" in the prophecies have a very special purpose - which has nothing whatsoever to do with English grammar, and its "proper" usage of them. When I began to serve the Lord - quite some time ago now *[it still seems like it was just yesterday]* - I left the workforce in obedience to the Holy Spirit to enter into full-time ministry, and the first thing that the Father instructed me to do was to "Eat, sleep, drink, and breathe My Word."

He then provided the perfect place for me to carry out this command *[a little apartment out in the countryside]*, and I began to spend vast amounts of time in fellowship with Him. I began the habit of going for long walks *[8-10 miles]* through the beautiful countryside surrounding Barrie *[Ontario, Canada]*, and as I prayed in the Spirit, the Father began to bless me with certain words *[prophecies]* concerning the deepest desires of His heart and His plan for the establishment of the True *[local]* Church in North America - and, of course, throughout the entire earth.

As I would write down what He was giving me *[I have long since been blessed with a pocket recorder which has become one of my most valuable ministry tools]* "certain" words or groups of words would be quickened to me deep within my spirit *[by the Holy Spirit]* and I got into the habit of using these quotation marks as a means of remembering which words He had emphasized to me.

As time went on, and I began to become more and more established in the Word of God, I began to see clearly why the Father had had me mark these "key words" and "phrases". It was His way of showing me that He was going to expand the meaning and the revelation of these key words that He had given me - with a view to raising up a specific people *[those whose hearts are "wholly given"]*, for a specific time *[that time is now]*, and for a specific task *[to lead His precious children into the "fullness" of their inheritance in Christ - the Anointed One and His Anointing]*.

Below are some examples of what I have been talking about. Also, there is a "Glossary For Key Words" *[on the index page of the website]* that will be included in each succeeding volume of Reflections Of The Father's Heart. These glossaries will contain words and phrases that when "searched" will paint a strong and clear image of the Father's heart concerning different areas pertaining to one both entering into and abiding in the true Christian life.

Example:

Excerpt: [890] actual word of prophecy in blue

....*"The "last wave" [indicates a specific group raised up by God for a specific time and for a specific purpose and also the lateness of the hour - an important revelation for every child of God to have in this time and one which God has begun to rapidly expand through the release of the anointing upon His holy apostles and prophets in the hearts of those who will hear] of the five-fold ministry - that I am about to bring forth in the fulness of My Power - are a "remnant" [speaks of all those who have given their heart wholly to God and who no longer have any desire to live for themselves] who have been taught by Me in the "place of abiding" [speaks of the place of perfect fellowship that the Father requires of each and every one of His children].*

Each individual believer shall find out what this means to them as they allow the Holy Spirit to direct them. This is one area wherein the onus is clearly upon each individual member of the Body of Christ to set themselves before God in prayer and fasting [the fasted life] in order to find out what pleases the Father. It is the place wherein we are one on one with our God - the inner chamber),

and who have "none" [emphasizing the fact "not even one"] of the "qualifications" [refers to the self-serving rules and creeds and regulations] that many of My "leaders" [the Father emphasized to me here that they, themselves, did not meet His "qualifications" for the exercising of "true" spiritual authority] in My church "look for" [again, their motives were self-serving and not in the best interests of God's people - Matthew 23]; but the one thing that will "characterize" (the predominant factor by which one will be recognized) My remnant will be My Presence - and all the power thereof, and truly I say to you, as I send them forth they shall hit the "walls" [this word speaks of the strongholds - demonically influenced ways of thinking and acting that up until this time have plagued the vast majority of the congregations of God's people] of darkness and unbelief like a giant sledgehammer!"....

It has come to the point over the years that each one of these words or groups of words in quotation marks could be the starting point for a never ending sermon or teaching so I just simply have to remain diligent to do whatever the Holy Spirit instructs me to do.

The Father has a specific purpose for these prophecies He has blessed me with and He is now in the process of showing me "exactly" how He would have them released to the Body of Christ in their fullness.

It is extremely important for each and every child of God to come to the full realization that "prophecies" are not simply reading material for the "leisurely" [those given more to foolish controversies and the exaltation of their own intellectualism than coming to know the deepest purpose of God for their life and ministry. This has been a very serious problem in the midst of God's people - up until this time!] but, rather, the very heart of the Father expressing His deep love and perfect instruction [Wisdom] for His children.

The failure of one to give the Word of God preeminence in their lives is truly a most dangerous thing in this last of the last hour!

"mental ascension" - the pursuit of the knowledge of God and His Word in the strength of one's own understanding;

Not one aspect of the Father's Provision [*the Word of God*] for His Church is to be "mentally ascended" to but, rather, we are to go before Him and – in that place of intimate fellowship in the "inner chamber" – "allow" Him [*through the power of the Spirit of wisdom and revelation*] to "pour forth" [*into the deepest recesses of our being*] His Love and Light and Life and Wisdom and Truth.

It is ONLY in this way that we shall come to the place of "abiding" in the Word [*Will*] of God - the place of ascension, SEATED at the right hand of the Father, with Christ, in the heavenly places. It is the place wherein one experiences the fullness of their inheritance [*Covenant, authority*] in Christ - the place wherein we are continually empowered to fulfil "all" that God created us for from before the foundations of the earth.

Every time that we are led to a true prophecy by the Holy Spirit we must esteem it to be one of the greatest impartations of blessing by our loving Father on our behalf - for if we approach this matter in ANY other way we shall not reap [*experience the spiritual reality of*] what the Father has surely desired to sow into our lives and ministries for our well-being and protection.

May the Father bless you superabundantly as you continue to seek first the Kingdom of God - through an abiding righteousness - for as you do NOTHING shall stand in your way to entering into the "fullness" of His glorious plan for your life and ministry.

....*"But seek [aim at and strive after] first of all His kingdom and His righteousness [His way of doing and being right], and then all these things taken together will be given you besides".... Matthew 6:33 The Amplified Translation*

....*"In the way of righteousness is life, and in [its] pathway there is no death [death cannot remain standing]".... Proverbs 12:28 NASB*

Glenn H. Jackson
