

CHAPTER 5

CONSECRATION AND HOLINESS

....“Do not be bound together with unbelievers; for what partnership have righteousness and lawlessness, or what fellowship has light with darkness? Or what harmony has Christ with Belial, or what has a believer in common with an unbeliever? Or what agreement has the temple of God with idols? For we are the temple of the living God; just as God said,

‘I will dwell in them and walk among them;

And I will be their God, and they shall be My people.

Therefore, come out from their midst and be separate,” says the Lord.

And do not touch what is unclean;

And I will welcome you.

And I will be a father to you,

And you shall be sons and daughters to Me,’

Says the Lord Almighty.

Therefore, having these promises, beloved, let us cleanse ourselves from all defilement of flesh and spirit, perfecting holiness in the fear of God”....

2 Corinthians 6: 14-7:1

....”As obedient children, do not be conformed to the former lusts which were yours in your ignorance, but like the Holy One who called you, be holy yourselves also in all your behavior; because it is written, ‘You shall be holy, for I am holy’.....

1 Peter 1: 14-16

A NEW WAVE OF DEEP CONSECRATION

A new wave of deep consecration is about to hit "every" move of God and the end result will be a glorious "coming together" in Christ. This is necessary and it will be the "catalyst" for the "fulness" of the outpouring of the Holy Spirit. So many wonderful things are happening day to day and time has become almost "invisible" - weeks are becoming days and days are becoming minutes. As one focuses on the intensity of the "moment" - in and by the Spirit - the perfect will and love of the Father is being manifested and "shed abroad" powerfully and in a "special" way (in our perfect obedience) in our very midst and to all those who cross our path. This shall only continue to increase as more and more "drop" the "sin that so easily entangles".

HOLY FIRE

The Father is about to release a wave of Holy Fire that will manifest first in a Spirit of deep, deep consecration in the lives of those whose hearts are even the least bit "toward" the carrying out of the fulness of His will. If one chooses to "resist" the Holy Spirit, then that Holy Fire will literally consume all in their midst - both individually and corporately - that is apart from the Anointed One and His Anointing. These are most certainly glorious days and they just keep on getting better and better! As far as I am concerned each step of "purification" and obedience is just one step closer to Departure! In this hour every believer must begin to receive a continually deeper revelation of the "anointing abiding within", for it is only in this way that we can even begin to enter into God's "economy". He has so much planned in such a short time that it would be "sheer folly" for us to be caught leaning upon our own understanding in any way, shape or form. This would also result in our being quickly "overwhelmed" (in a bad way) and disoriented as far as the Father's highest purpose in any given moment is concerned.

FELLOWSHIP WITH THE WORLD PERPETUATES A GROWING DARKNESS IN OUR LIVES AND MINISTRIES - FELLOWSHIP WITH GOD AND HIS WORD BRINGS PERFECT ENLIGHTENMENT AND VICTORY IN ALL THINGS

How glorious is the provision the Father has made for each one of His children in Christ Jesus! As the believer begins to explore the Word of God with an open heart, the troublesome circumstances of this life begin to fade and the reality of the "true" Christian life enters the deepest recesses of their being. The whole key to experiencing the "fulness" of our salvation is the heart desire to fellowship with the Father and His Word, rather than the world and its ways. Fellowship with the world can only bring darkness and will put into action "forces" that will continually draw the believer away from God and into conformity with the "lies" of Satan - which, when believed, will "surely" result in the manifestation of death and darkness in their lives. Let us be those who seek nothing apart from God and the power of His holy name. For in that name is the power of our deliverance from "every" wile and scheme which the Evil One attempts against us. As the believer stands in faith on the Word of God in every area of their lives, they will soon see the "perfect integrity" of God in action; for He is both willing and able to keep them "untouched" by evil; that is, He will bring them into the "secret place of His presence" in their deepest heart of hearts - a place which Satan cannot enter. It is in this precious and holy place that we "maintain" pure and sweet communion with the Father and the Son and thus allow God to reveal the deepest secrets of His heart to us. This is truly the most blessed place one can be in and as we "abide" in this place we shall find the "fulness" of our victory and the "totality" of the success and prosperity that is ours in Christ. Let us put aside the world and its darkened ways and let us enter and abide in the presence of Almighty God and then shall our hearts ever shout in triumph at the wonder of our precious inheritance (salvation) and the power of His Holy name.

BE "ESTABLISHED" IN THE WORD OF GOD

Unless one's spirit is edified, and "established" in His Word, Satan shall retain a "degree of control" over their minds, and thus they shall come to be used by him to hinder the establishment of the "true" Church. Now is the time wherein the judgements of God shall fall upon all those who have "adhered" to a "mental and emotional" religion. Because many have forsaken "intimate" fellowship with Him they do not know Him in the way that He desires to be known by them - and not only the way that He desires, but the way that is necessary for them to both survive and prosper in the earth! No more shall the doctrines and traditions of men be "bandied" about recklessly, for the Father shall judge EVERY idle word and He shall let all those who speak them, out of the "abundance" of their heart, know that

the words they speak are "stout" against Him. There are many who have forsaken the Father and His Word - and thus "His" plan for their lives - to follow after "flesh and blood". Men and women worshipping men and women - who worship "self". Is this not the most abominable thing one can conceive of in the church of the Lord Jesus Christ?

Let us hear the words of the Father:

"I AM ABOUT TO EXPOSE THE THINGS THAT HAVE BEEN FOR WHAT THEY TRULY ARE"

...."There are many who say that My Word concerning holiness and consecration is "unclear", but truly I say to you, it is they who are unclear in both their hearts and their minds and thus, they have opened themselves up to receive freely the lies of the Evil One - and up until this time it has led to "mass confusion" in many areas of My church. But I am about to expose the things that have been, for what they truly are! I have a controversy with all those children of Mine who have "continually" refused to give their "whole" heart to Me. There are many who outwardly appear to be devoted and "sincere" in their actions as they go forth in My Name, but in their ignorance and in their pride, they have set themselves as "enemies of the Cross". There is only one way to expose the true motivations of one's heart and that is for that one to be "confronted" by My Word and the anointing which abides both within, and upon, all those whose heart has been wholly given to Me!"....

REJOICE IN "PRESSURE"

It is a good thing that the Father just gives us one step at a time otherwise our hearts might have been overwhelmed in the beginning and we might not have even entered the proper "starting gate". But after having experienced many "pressures" and adverse situations throughout the years, all that one can say to the Father is "thank you". Anyone who sets themselves to remain faithful to the fulness of the Father's will for their life shall surely come to rejoice in "pressure" - KNOWING that it is ALWAYS the catalyst to the spiritual growth and perfect preparation to bear maximum fruit for the Kingdom.

DEEP HUMILITY (TOTAL DEPENDENCE UPON GOD) - THE PREREQUISITE TO ALL "TRUE" REVIVAL

In this most glorious hour, as the Father moves forth powerfully to pour out His Spirit to an ever greater degree in the midst of His people, I am seeing an amazing and wonderful thing. I am seeing saint, after saint, after saint come forth and on them rests a spirit of deep, deep humility. God is truly raising up key people in key localities whose hearts are wholly given to His highest will and purpose. It is not hard to see how "revival" will soon break out powerfully in their midst. The Father has shown me that He is now beginning to move powerfully in order to position and establish the people He has chosen to lead this "next phase" of the outpouring of His Spirit. He told me that He would bring those who would listen to His voice, into perfect position before Him and establish them with the true authorities in the proper locality. To some this might be a minor adjustment; to others this would mean a total overhauling of their previous positioning - a "position" established by the hand of the "flesh".

A GREAT CHANGE IN THE "SPIRITUAL CLIMATE" COMING

There shall be a great change in the "spiritual climate" in the days ahead. This specific change in "climate" will usher in the next phase of the outpouring of the Holy Spirit - an increase of apostolic anointing that will bring with it "holy fire" (light - the Spirit of judgement and burning) and a divine empowerment which shall both "elevate" all those whose hearts are wholly given. The very same increase in apostolic anointing shall devastate ALL that is apart from Christ (the Anointed One and His Anointing) in the midst of His people. It is the same anointing, but it shall cause many different results. The time we are about to enter shall cause each man's work and positioning before God to become evident IMMEDIATELY as they are confronted by this very powerful "apostolic anointing" that flows through the hearts of the faithful from the very Throne Room of God. Let us guard our hearts with ALL diligence and consecrate ourselves wholly in this most glorious hour in order that we might be found "approved" in ALL things by our holy Father for it is "certain" that all those things that can be shaken will be shaken and the time is short!

Let us hear the words of the Father:

THE GREAT IMPORTANCE OF "BRINGING EVERY THOUGHT CAPTIVE" IN THIS MOST GLORIOUS HOUR! (2 CORINTHIANS 10:3-5)

...."When the spirit-man is kept in dominance over the soul (and body) then the "mind" becomes simply a "servant" to the spirit in the carrying out of My holy plans and purposes. But when the soul (the mind, the will and the emotions) is "allowed" to control one's existence then the mind (thought-life) dominates (squashes) the "divine impulses" that are "continually" rising up out of the spirit-man. The "discipline" of bringing every thought captive to My Word (perfect obedience) is of "extreme" importance! For the failure to do so "negates" that one's effectiveness in establishing My Kingdom in the earth and in edifying My people!"....

...."Fleshly" thought may seem to start out with its "good intentions", but it is only capable of effecting the schemes of the Evil One. Every action and word of the flesh is rooted in fear and selfishness and it is through this ground that Satan is enabled to first "control" the vessel and then continually use them until his scheme (or schemes) is brought to the point of physical manifestation"....

...."If My children do not "discipline" themselves to bring every thought captive to a perfect obedience (perfect love) then they shall surely be found, to a certain degree, to be speaking and acting apart from the "Spirit of wisdom and revelation"!....

...."It is quite simple: at any given time one is either bringing every thought captive to Satan and his self-exaltive lies or they are bringing every thought captive to My Word!"....

THE CRY OF THE FATHER'S HEART - FORSAKE "ALL" FELLOWSHIP WITH THE WORLD AND ITS WAYS!

...."The time has come for the chaff to be separated from the wheat for many of My children have resisted My call to holiness and because of this they have allowed themselves to become firmly entrenched in the evil one's territory (world) and he has mounted a campaign to lead them into the pit by deceiving them at

every turn and they run headlong into the trap which has been set; for the rulers of the darkness of this world are working furiously to bring destruction and death to My people, and they have been given abundant opportunity to do so and because of this I am grieved to a great degree. Have I not spoken in My Word, "take heed therefore that the light which is in you be not darkness?" Have I not spoken also that the friendship of the world is enmity with Me? And again, that "whosoever therefore will be a friend of the world is the enemy of God?" Why do My people forsake Me? Why do they make My word of no account in their lives? For truly I say to you I desire to lead them victoriously every moment of their existence. But they, through their own arrogant pride, have allowed themselves to be deceived by Satan and they have sought after that wisdom which is not from above, but which is earthly, sensual and devilish. Is it not written, "I am opposed to the proud, but give grace to the humble?" Truly, truly I say to you all My children shall reap what they have sown; My judgement has fallen for I have a great work to do in this earth and indeed My will shall be done on earth as it is in Heaven and My glory shall fill the earth. Truly I say to you, all these things which I have spoken shall come to pass. In My Word did I not admonish My people to build their foundation upon the Rock, yet even at this late hour they seek only to make castles of sand. I say to you this day that My Spirit shall flow forth in "torrents", and all that is not of Me shall perish, in the lives of My children; for the consuming fire of My Spirit shall purify My household and My spotless and unblemished Church shall stand before Me. Are not all these things I have spoken written in My Word?

I say to you this day My beloved children, repent! Draw near to Me and I shall surely draw near to you. Cleanse your hands you who have sin, for in keeping yourselves in your sinful ways, you have made the precious Blood of the Lamb of no effect in your lives. It is the spirit of anti-Christ who seeks to deny Me in every way and yet many of My people still hearken to the voice of the Evil One and continue to ignore both My Spirit and My Word. Purify your hearts you who are double-minded! Lean not on your own understanding. Trust Me with all your heart and in all your ways acknowledge Me and I will make your paths straight. Do not be wise in your own eyes, but rather present yourselves unto Me a living and holy sacrifice. Turn away from evil and cast all your care upon Me and I will care for you; for I love you and desire to fellowship with you and give you every good thing which I have provided for you. Only humble yourselves before Me that I might exalt you, for truly I say to you, My eyes search to and fro throughout the earth that I might show Myself strong on behalf of those who walk uprightly

before Me. Establish your hearts for the coming of the Lord draws near!"....

MANY MANY BONDSERVANTS AND HANDMAIDENS ON THE "THRESHOLD" OF THEIR ENTRANCE INTO THE FULNESS OF MINISTRY

There are many precious children of God who have been in the "throes" of the Refiner's Furnace these past few weeks or even months and they have experienced a "seeming" separation from the Lord (at least by what their five physical senses discern). This period of seeming "vagueness" is but the crucible of the Spirit to burn out any "dross" which would prevent them, in any way, from experiencing their deepest heart-desire - which is to do "all" of the will of the Father in this last of the last hour. I went through a long period such as this just over a year ago, and while I was going through it I was put in situations and more situations that were totally out of "my" control - thank God! I was "forced" - in accordance with the deepest desire of my heart to carry out all of the Father's will for my life and ministry - to depend solely on Him without "any" justification on my part for my actions - actions which, I might add, seemed quite strange to those closest to me. When this period of time finally ended I was "released" into the fulness of the ministry that the Father has called me to and I have not looked back since - nor will I.

THE SPIRIT OF CONSECRATION AND HOLINESS

The Father is raising up a specific group of His children to lead the way for many others to enter into the fulness of their inheritance in Christ. These "leaders" (servants) will have to learn to walk "above" the "sense realm". That is, they will be a people who are "moved" solely by the "revelation knowledge" of God's Word emblazoned on their heart. It is only in this way that we shall all "rise above" the religious practices that have - up until this time - kept the church in a position of weakness and "ingloriousness". The Father is on the move in the midst of all those who truly love Him and even since the first of the year I have seen many hearts given wholly to seeking after the "fulness" of His most glorious purpose for their lives and ministries. A very "heavy" outpouring of the Spirit of consecration and holiness is creating a thirsting and hungering after righteousness in the hearts of many and they are beginning to cry out for the Kingdom truths that the Father is revealing from the Throne Room in this hour.

THIS SAME OUTPOURING THAT WILL THOROUGHLY BLESS (EMPOWER AND THRILL) ALL THOSE WHO LOVE GOD SHALL ALSO, AT THE SAME TIME, CONSUME AND DESTROY "ALL ELEMENTS" OF LAWLESSNESS AND PRIDE

In light of all these things the Father is preparing to send forth "wave after wave" of bondservants and handmaidens that He has prepared in the "inner chamber" to be in place to minister (according to His perfect timing and will) to the soon coming "masses" of believers, both new and those who shall repent of their previous excursion into "religious activity". This is why it is so important in these days for each and every Christian to seek the will of God concerning where they should be in relation to others in the Body. The Father made it very clear to me that in these days He would begin to accelerate the gathering together of all those whose hearts are wholly given, into the places that He has ordered and He shall place them with the proper ministries and/or congregations according to the fulness of His plan for the establishment of the True (local) Church. From this place the outpouring of His Spirit would escalate each day until our task is finished and we are "caught up" out of here. This is most certainly a "capsulized version" of what has been rolling around in my spirit for some time now, but it certainly begins to present a most glorious picture of what our loving Father has for His children and for the entire earth in this hour if they will only partake of it. This same outpouring that will thoroughly bless (empower and thrill) all those who love God shall also, at the same time, consume and destroy "all elements" of lawlessness and pride - and the works thereof - still "standing" in the midst of His children.

THIS IS A GLORIOUS TIME

I have seen some of these things in my spirit, but for now we all must concentrate on "abiding" in a perfect intercession for all those who have set themselves on the broad path of destruction - a path clearly apart from the Anointed One and His Anointing! There still remains a "small window of opportunity" for these rebellious ones to come into a true knowledge of God's Word and the deep and thorough repentance that is necessary for them to fulfil the will of God for their lives and ministries. This is a most glorious time for all those standing "on the threshold" and it is certain that not one of us could comprehend the totality of the effect of this tremendous outpouring of the Glory of God that

has already begun to take place.

"FIRST WAVES"

Even at this late hour it "seems" as though vast multitudes of God's people are "ill-prepared" for the fulness of the outpouring of His Spirit that the Father so longs to "bless" His children with. But, even now, and in His great mercy, the Father is pouring forth the "first waves" of this increased outpouring and releasing with it a very heavy "Spirit of consecration" in the midst of all those who love Him - those who have a heart for His purposes alone. Because of this, many are forsaking "all" ground of "stubbornness" and rebellion that had previously been held to and they are entering - for the first time - into the Kingdom of heaven with "both feet" - hearts wholly given. It is from this position alone that God will be enabled to release the succeeding waves of His Spirit - for to do so in any other manner would cause too great a "destruction" too soon. The Father in His mercy has everything worked out perfectly but this must be said:

NOW IS THE TIME TO FORSAKE ALL TO FOLLOW HIM

This is the time for "all" - whose deepest heart-desire is to fulfil "all" that God has created them for in Christ - to lay down that which they have selfishly and stubbornly been holding onto. In many cases this will be a direct and immediate call to fasting and prayer in order that they might gain the revelation necessary for them to "finally" enter into their "proper position" in the True (Glorious) Local Church. With each succeeding wave of the outpouring of the Holy Spirit the increase in power will begin to literally "destroy" all that which has its root in pride and rebellion. To all those who truly love God now is the time to forsake ALL to follow Him. It is a "window of opportunity" that "must" be entered into for it shall disappear as quickly as it has appeared. Every true apostle and prophet of God is crying out to the people of God at the top of their lungs in this hour:

Repent! and enter "fully" into the presence of the Father and the Son. Forsake all that is not in "perfect accord" with the Word (Will) of God. For it is only in this way that Satan and his forces will be kept at bay, and it is only in this way that one will be "conditioned" (acclimated) to receive and thrive in the fulness of the Glory of God that is about to be (and is already being) released in

the midst of the congregations of those whose hearts are "toward" (seeking) the fulness of God's will for them - both individually and corporately.

TAKE HEED THAT THE "LIGHT" THAT IS IN YOU, BE NOT DARKNESS

As this hour and this dispensation come to their glorious conclusion it will be only those whose hearts are "wholly given" who will continually have the "necessary" light to overcome in all things. Those who continue to hold to the world and its ways - to any degree - shall "surely" be pulled into the vortex of "darkness" which - in this last hour - will pass as "light" in the midst of vast multitudes of those who "should have known better".

Jesus said in Luke 11:35, "Take heed that the light that is in you be not darkness" and we must, as His faithful servants, adhere closely to this strong admonition. This time is much more dangerous than many "think"! The only thing that will "overcome" the darkness and deceptive practices of Satan and his forces are the absolute light, life and love (Zoe) that are flowing forth from the Throne Room of God and into the hearts of those who are abiding in an intimate fellowship with Him.

"FINE-TUNING"

The Lord is "fine-tuning" all those who are on the threshold of entering into the fulness of the ministry that they have been called to and thus He is confronting every last piece of "ground" within them that holds to a "fear of man". Our "ability" (anointing) to minister in love - to "flesh and blood" - in the face of any and every scheme of the Evil One is of the utmost importance in this hour! It is late and we must not allow any opportunity to minister the absolute truth and light necessary for the "complete deliverance" of those God leads across our path to "slip by"! As long as we maintain a heart for the fulness of the Father's will it is certain that He will begin to surround us with the perfect brothers and sisters (ministries) to get the job done properly.

TIME OF REFRESHING

It truly is a time of refreshing for me. Just to see the "caliber" of handmaidens and bondservants which have begun to come forth is a blessing beyond words for me, but at the same time it is truly no time to "relax" (become lazy again) just because the fruits of intercession are beginning to manifest in the midst of the Body of Christ. There must be a continued and diligent preparation on our part for the next phase of the Father's plan to be both entered into and carried out perfectly - and so shall it remain this way until the time of our Departure. Any "personal struggles" are nothing more than the "birthing forth" - day to day - of the fulness of the Father's provision for every aspect of ministry - as well as the constant intercession for the coming forth of this last wave of the holy apostles and prophets throughout the Body of Christ. I can tell you this! It is no painful task as, even in the midst of travail, there is the deep, deep assurance in the deepest recesses of my heart that everything is "right on schedule" according to the will of the Father. There is no more secure place in the entire earth than to be in the "center" of God's perfect will for your life and ministry - and there never will be as long as Satan and his forces are still on the loose to "any" degree.

THE ANOINTING ON THE APOSTLES AND PROPHETS IS "DRAWING" ALL THOSE WHOSE HEARTS ARE SEEKING THE "FULNESS" OF THE FATHER'S CALL UPON THEIR LIFE AND MINISTRY

The absolute truth which is now being released by the Father from the Throne Room through His holy apostles and prophets is "empowering" and drawing the hearts of those who are truly seeking to walk in the fulness of the call upon their lives and ministries, into a deeper consecration and walk. The "control spirits" which for so long have hindered many of God's people shall now begin to move forth radically and openly in the lives of ANY who have failed to heed to call to remain sober and alert at all times. Their chief aim at this time is to keep these "drowsy" (from "fellowship" with the "world") ones away from the revelation knowledge and ministry coming forth through the holy apostles and prophets. If these evil spirits are "allowed" to remain successful in their "deceiving tactics", then the one they have been assigned to will - at the very least - retain "control" over their "own" life and ministry - and the worst case scenario would be that they - in their "self-exaltive" practices - would "allow" themselves to be used

to "control" other sheep who were attempting to hear the Master's voice and thus they become "stumblingblocks" to those who would draw near to the Father and His Word. This is a most serious offense against the Kingdom of Heaven and the heart of the Father and this "practice" will be judged swiftly and thoroughly from here on in! Let all those called to a position in authority who are still "maintaining" any element of "self-desire" lay it down - for the "whirlwind" is now upon us!

THERE MUST BE A TOTAL AND COMPLETE REMOVAL OF THE "FEAR OF MAN" FROM ALL THOSE WHO WOULD ENTER INTO THE "FULNESS" OF MINISTRY

In this time the Father is "wresting" from our hearts any remaining vestiges or ground of self-sufficiency and mistrust - rooted in the fear of failure and disapproval of "flesh and blood". In just the same way that Satan spends an entire lifetime "transferring" his fear (mistrust of authority) and arrogance and self-sufficiency into our lives - the Father desires to "transfer" His precious and tender love and His trustworthiness into our hearts, for in doing so we gain the abiding revelation of the fact that we ALREADY have his perfect approval and acceptance. Because of these things, all striving before man ceases and we can THEN move forth in the true boldness and "God-assurance" that allows us to continually walk above the "fear of man", and sets us free from the BONDAGE of seeking the approval and acceptance of anyone apart from the Heavenly Father. If one seeks after the acceptance and approval of "flesh and blood" to ANY degree then quite simply they are a "compromise" going somewhere to happen! It is only from this position of perfect deliverance from the "fear of man" that we are truly free to do ALL that we are called to do. It is in this position that His precious and perfect abiding love continually casts out ALL fear - not only in us, but in all those who cross our path that truly desire to be free themselves.

THE ATTEMPTED "BURYING" OF FEAR IS A MOST DANGEROUS THING!

The attempted "burying" of any ground of fear is a most dangerous thing! If we allow ourselves to be deceived into thinking that we can "exist" comfortably enough with our fears, THEN because of OUR "maintenance" of these fears the Evil One is able to maintain "control" over our movements because we have to do

- or not do - certain things to avoid those fears. What this means is that in a critical moment Satan and his forces will still be enabled to "move" us in a direction that is not of God and thus hinder and prevent us being in the right place at the right time, doing the righteous (obedient) thing - all because of our fears. I experienced this "cycle" for years and it wasn't until I made the "quality decision" to confront any and all fears that I was finally able to experience true liberty - in and by the power of the Holy Spirit. I began my walk still seeking my earthly father's approval and it was many years before I "allowed" the Father to bring me to the place wherein my acceptance and approval are found only in Him.

PERFECT OBEDIENCE WILL BRING ABOUT THE "NECESSARY" CONFRONTATION OF ANY GROUND OF FEAR IN THE HEART OF THE BELIEVER

Perfect obedience on the part of the believer will bring about the "necessary confrontation" - that is, the confrontation necessary for the Father to deal with our deepest fears and replace that area in our heart with His perfect love - the love that will both heal us and sustain us in, and through, ALL things. When the child of God is faithful to place ALL of their trust upon the Father and His Word they shall most certainly experience a measure of acceptance and approval from "flesh and blood" (divine favour), but only from those whose hearts are towards God (whether in the "world" or in the Body of Christ). If another child of God is retaining any element of "self-desire" - which always translates into a "mental ascension" of God's will (Word) - then those abiding in perfect obedience will experience (EVERY TIME!) their disapproval and unacceptance in some form. The words spoken or actions of the obedient one will always threaten any element of self-desire and self-agenda - and because of these things the obedient one must either continue on their course - casting aside all of the approval and acceptance of those in disobedience - or they must compromise their own obedience to set themselves in agreement with those in rebellion and disobedience to the will of God. Now you can see clearly why we must FIRST find ALL of our approval and acceptance from the Father. For to hold to any of these things ourselves - by placing "flesh and blood" before the Word (will) of God - shall surely bring about a "shipwreck" of our faith and cause us to fall short (fail) of the highest and most holy purposes of God concerning our own lives (and the lives of all those with whom we have to do). This is another example of the Truth being revealed in His absoluteness in this last hour.

DEFINING "DISAPPOINTMENT"

Always remember:

ALL "DISAPPOINTMENT" IS THE RESULT OF A MISPLACED FAITH ON OUR PART. THE FATHER IS PERFECT. OUR TASK IS TO MAINTAIN THE PERFECT LINK OF FAITH AND TRUST WITH HIM THROUGH GAINING A CLEAR AND ABIDING REVELATION OF HIS WILL - AT ALL COST TO OURSELVES. IF WE ARE FAITHFUL TO DO THESE THINGS. WE WILL "NEVER" BE DISAPPOINTED - FOR ALL THINGS SHALL NOT ONLY COME THROUGH IN HIS PERFECT TIMING, BUT THEY SHALL ALSO COME THROUGH IN THE FULNESS WHICH THE FATHER INTENDED. DISAPPOINTMENT IS NOT PART OF OUR COVENANT WITH GOD - NEITHER IS DISGRACE, CONDEMNATION OR HUMILIATION. HE IS OUR ALL-SUFFICIENCY AND HE IS FAITHFUL AND TRUSTWORTHY RIGHT TO THE END OF ALL THINGS!

PERFECT PREPARATION

The things that many precious handmaidens and bondservants are "going through" right now are necessary for their "perfect preparation" to handle "properly" all that which is about to manifest - finances, people, lands etc. We must ALWAYS seek to see things through our Father's eyes for in keeping ETERNITY in our focus our ability to be faithful - in even the most seemingly insignificant details of our daily activities - is intensified and magnified to a degree which not only keeps our priorities straight, but also allows us to truly enjoy and appreciate how our Father knows and meets the needs of even the "sparrows".

OUR "SUFFERING" - THE ABSOLUTE AND CONTINUAL STAND AGAINST ALL THAT WE HAVE BEEN REDEEMED FROM - IN CHRIST

The "suffering" that we are called to in this earth is to stand continually against all the things which we have been redeemed from. It is in no way associated with physical sickness or any other manifestation of the law of sin and death, but rather it is to continually release faith in the Word of God - regardless of the pressure of the circumstances which surround us. As our minds become

transformed and renewed to the Word of God, "suffering" (for righteousness' sake) shall become the joyful opportunity to further establish God's Kingdom in the earth it was intended to be rather than the sorrowful, painful, concept "religion" has made it to be through unbelief! The time frame we are now entering into is like no other and we must all find our "proper position" within the framework of the "heavenly blueprint" through an abiding consecration unto the Father and His Word.

ANGER AND FRUSTRATION

The anger that many who are truly seeking God are experiencing is an attack from Satan. He is working "furiously" upon the "last vestiges" of the ground (stronghold of fear and unforgiveness) that he has spent years building - concerning the "authorities" (parents etc) in their lives. Many still have an "inner image" of the Heavenly Father acting towards them the same way their earthly father (and mother) did. Each individual case is unique, but the common thread is that these "authorities" misrepresented the Father in some way. Vast multitudes of God's children have experienced "absenteeism" at critical times and moments throughout their life - even from the time they were a small child. This "absenteeism" was not just "physical" - although that was certainly the case in many families - it was also a "spiritual absence" - the absence of the anointing of the Holy Spirit in their daily lives. One of the main results of this "misrepresentation" of the Father and His Word was that whole generations were raised and trained diligently to become "self-sufficient" rather than to find their all-sufficiency in God. As this pertains to those who are truly seeking the fulness of the Father's will for their life and ministry: it is causing great difficulty at times in their ability to exercise an "absolute faith" - working through an "absolute (perfect) love" - and because of this there has been a distinct delay in the fulfilment of their God-given revelation and vision. In some cases, this has produced a degree of anger (at the Father) and frustration at their "own" inability to come into the fulness of all that has been prepared for them from on high. As the Holy Spirit brings this "hatred" and ground of unforgiveness (yes, I said UNFORGIVENESS) to the surface one must simply repent and realize that they are transferring the anger that they have towards their parents (or other authorities) towards the Heavenly Father - and it is causing "momentary" blindness and confusion. It is clearly Satan's attempt to get them to do something (anything) that will put a stop to the "soon coming" blessings of God, and it is more than just

finances - it is everything their heart has ever secretly (and not so secretly) desired before God. One's fear of failure - or more accurately the Father failing them - is what is causing them this distress but in reality it is simply an issue of TRUST and them coming into that place where any "Plan B" - and the "safety net" that it "temporarily" provides - is cast aside.

OUR "NEVER-FAILING" FATHER

At first this is a very scary place to be in but it is certain that ANYONE who has ever been used by God to any great degree - and whoever will be - MUST come to this place of what seems like a precarious position: one step away from total failure and disaster. It is only in this way that we can EVER come into a complete trust of our NEVER-FAILING Father. It does not matter how one "feels" in this time. What truly matters is that they continue to speak the words and carry out the corresponding actions that line up with the revelation that the Father has given them - KNOWING that they will not only begin to "rise above" the schemes of the Evil One, but that they will also never have to pass that way again, as they "allow" the fire of the Holy Spirit to consume all that is "vile" within them - by taking a simple step of faith in their heart towards the loving Father. Even though it seems difficult to "let go" if one does not let go then they will never completely "LET GOD". This is truly an "intense" work that the Father has been doing in many precious saints these past few months and I am in awe of His precious love toward us.

Remember this:

His hand is clearly on you and when His hand is upon you then you shall surely see everything that He has said and promised come to pass in glorious ways that are almost incomprehensible to our thinking. This is a critical time. Consecrate yourself and take that "anger" and turn it back against Satan and his forces. Begin to resist and they shall surely flee and you shall soon see the precious fruit of the Holy Spirit's labour in your heart and in your circumstances.

"FEED ME WITH THE FOOD THAT IS NEEDFUL FOR ME"

The Father spoke to me many years ago and told me that it was His desire to reveal to me - for the purpose of teaching His people - certain things concerning

the "anointing" and the effects on the physical body. While I have "some" light on this now there is much more to come - but, of course, obedience on my part concerning "food intake" is the prerequisite to receiving all that the Father has for me in this area. I will say this though: there is absolutely no way that a "Christian" - in this last of the last hour - will be able to stand up under the outpouring of the "former and the latter rain" - let alone accomplish the fulness of the Father's purpose - unless they allow themselves to be perfectly prepared (and that definitely includes obedience in "food intake") as a pure vessel by the Holy Spirit. All of these things are in order that the "fulness" of the anointing abiding within them might flow forth "unhindered" upon all those who cross their path. I do not have words to describe the power that shall soon go forth "upon all flesh". We must get ready at all cost to ourselves! Food has too long been a very strong area of "emotional attachment" (soulish gratification) for a vast multitude of God's children - myself included! As handmaidens and bondservants we must "flee" all those things which lead to "unrighteousness" in our lives if we are truly serious about getting the "captives" set free. One thing is certain: this has become a very, very serious matter in this late hour.

THE "DISOBEDIENCE PROBLEM"

In essence, there is no such thing as a "weight problem" - only a "disobedience" problem. In other words it is not just simply a matter of being thin or of an "acceptable" weight in the eyes of the "world" and the church, it is a matter of hearing the Great Nutritionist (the Holy Spirit) abiding within us and eating only that which glorifies the Father and "allows" us to carry out the fulness of the "ministry" that we were created for from before the foundations of the earth. This required obedience covers EVERY aspect of our existence - spirit, soul, body and financially. We, as the people of God, MUST come to the place wherein we are both able to hear the still, small voice rising up from our "inner man" and be willing to obey whatever He says to us.

BE LED BY THE HOLY SPIRIT!

Be led by the Holy Spirit! It is important not to "listen" to voices that serve only to cause one to take a preconceived notion or carry a "prejudice" without having experienced certain things themselves. What we are dealing with here when we begin to pursue a healthy diet is not an "ism" it is simply individual

obedience in our own lives through complying to the Father's perfect "diet" for us. It most certainly does not have anything to do with any of the many "doctrines" that the "world" claims as their own - when in reality they are simply counterfeits of the truth of God's Word. If we, as a people, are truly going to proclaim "Jesus is Lord" then it is certain we must "allow" Him to be Lord over our "food intake" - both physical and spiritual.

THOSE ABIDING IN FAITHFULNESS AND OBEDIENCE ARE NOW ENTERING A KEY TIME OF "TRANSITION"

This "transition" period is a most important time of "perfect" preparation for the receiving of the fulness of the Father's blessings - spirit, soul, body and financially. It is from this "transition period" - and the "fulness" received therein - that those whose sole motivation is the perfect carrying out of the Father's will shall be empowered to begin an adventure that will take them - and all those with them - right to the end of the age. I remember a few months ago having a distinct impression of this "transition period" and I knew in my heart that it would be a time of precious fellowship and almost a "war room" setting in the midst of all those in the five-fold ministry that were being brought together by the Holy Spirit ("glorious connections") in order to ensure that every last detail is centered in the Father's highest and most holy purpose. There is absolutely no way to properly describe how glorious this initial time will be throughout the Body of Christ!

THOSE WHO HAVE TRULY LAID DOWN THEIR LIVES IN OBEDIENCE WILL HAVE A DEEP ASSURANCE IN THEIR HEARTS THAT THEY ARE READY FOR WHAT IS ABOUT TO COME

Another strong impression I had was that many, many things that have been "hidden" - up until now - by the Father will be revealed and become evident to His faithful ones as to where they fit into the overall plans. Many have spent the last few years "continually" learning how to prevent any hindrances to the manifestation of the fulness of the Father's will - in their own lives and ministries and in the lives that God has given them - and now there shall be an "explosion" of revelation knowledge concerning these things and other things like we have never seen or experienced before. Those who have truly laid down their lives in obedience will have a deep assurance in their hearts that they are ready for what is about to come! It is of the utmost importance to carry out what the Holy Spirit

instructs during this "transition period" with a perfect diligence. As we do, the "miracles" and visions that have been birthed through many years of standing in faith shall surely come forth in a timing so perfect that we shall simply know what to do. Many things are already beginning to be revealed throughout the Body of Christ - but there shall be more added. The bottom line is that we shall KNOW what to do concerning all things.

"LOVE NOT THE WORLD"!

Each and every one of those who truly desire to fulfil their destiny in Christ MUST have a clear revelation of the fact that we are commanded to "LOVE NOT THE WORLD"! The failure to gain this revelation - and it is a "life-consuming" revelation - will surely result in one leaving themselves wide open to the destructive and deadly attacks of the Evil One - which are even now being formulated in the pit of Hell against those who at one time held much revelation - but who have now become "religious fools". We must be found crying out to the Father on the behalf of ANY we know to be in this position. It MAY mean the difference between them fulfilling their calling or their rather sudden departure from this dispensation. There shall also be those who hold to the "deception" of certain doctrines of darkness which are aimed directly at keeping the children of God out of the fulness of their inheritance

LUKEWARM RELATIONSHIP AND THE "WORK ETHIC"

In many areas the "spiritual behaviour" of our nation in the past 100+ years has been an affront to the heart of God - not only concerning Israel and the Jewish people, but also the "lukewarm relationship" with Him (and thus the failure to give proper thanksgiving to Him for all of our superabundant prosperity). This "lukewarm relationship" has resulted in a "rigid denominational structure" that has replaced "faith" in God and His Word and replaced it with the "work ethic" - an "ethic" (philosophy) whose end is the way of death. In the coming days and weeks we shall see a Spirit of consecration be poured forth on this nation as never before and this shall lead to a deep and thorough repentance by vast multitudes who before would have nothing to do with the denominational churches, but who will NOW experience the "Living Christ" through the "holy vessels" that the Father has raised up for such a time as this. Those who refuse to repent in the "denominational churches" shall "allow" themselves - having been held captive by

the Evil One to do his will - to be "driven" with an unholy zeal against the true servants of God. But this will not last long at all as the Holy Spirit (the "former and the latter rain") is poured forth to a continually escalating degree through the faithful and obedient servants of God from every walk of life.

A "NEW LEVEL"

The Father is now going to take His faithful and obedient children to a "new level" and in this holy place that we are entering into there shall be no self-serving motivations. All those who still desire to maintain "their" works shall be forced to depart from the Glory of God because of the sin and rebellion in their heart. There will be a few "surprises" - as far as this "departure" goes, but far outweighing them will be the glorious entrance into the Kingdom of vast multitudes - who have up until this time (in their steadfast reliance upon themselves - through fear) - "denied" the holy name of Jesus.

AN "ABIDING CONSECRATION"

This is the time wherein every child of God MUST come into the perfect consecration that the Holy Spirit sets before them in the "inner chamber". It is an "abiding consecration" that is called for (it always has been that way) in this most critical and glorious hour. Failure on the part of God's children to obey the command to love the Lord God with ALL of their being (spirit, soul, and body) will MOST SURELY result in their defeat at the hands of certain vile spirits (the "spirit of strong discouragement" included) that have even now begun to be released in their "assignment" against the "unsuspecting". If one TRULY desires to accomplish the work of the Kingdom and the establishing of the True (Glorious - Local) Church in this hour then they MUST lay down those last vestiges of self-desire which lead to the "self-indulgence" that consumes them (the principle of leaven) and prevents them from entering boldly into the Throne Room for the necessary empowerment that shall sustain them perfectly and victoriously - from now until the end of the age.

WE HAVE A "MIND" - THE MIND OF CHRIST

There are many children of God who still maintain the attitude - consciously or unconsciously - "God gave us a mind and we must use it". I remember the first

time I heard those words spoken to me. I wasn't sure how to handle it. Now I'm certain I have at least a 4 hour sermon on that topic. From the "flesh and blood" side it is just a "convenient" excuse to maintain one's own agenda and gratify their soul through the exercising of their "own" mind. From Satan's point of view he simply wants to maintain "control" over the child of God - through a root of pride and self-servedness. Yes, God did give us a "brain" (mind) to use and we are to use it to bring "every" thought captive to that mind - the MIND OF CHRIST! It is a mind-set that steadfastly refuses to do ANYTHING apart from the deepest thoughts and intentions of the Father's heart! Every child of God MUST come to the full realization that it is their OWN agenda that is holding them back and hindering certain blessings that the Father has for them - blessings that far transcend and supercede the preconceived notions and mental ascensions that are a product of their "limited vision". If they continue to maintain ANY fear of "losing control" over any element of the Father's will, instead of trusting the Father's judgement in this whole matter - they SURELY will! In the same way the very faith one exercises in the Word of God comes to pass in that one's life, so too, the very fear that one holds (maintains) shall come to pass in their life.

In this critical hour every last thing the children of God hold to in fear (of losing that very thing) shall be either "ripped away" from them by Satan or the Holy Spirit will "separate them" from those who are truly walking in faith - those who refuse to bow their knee to any agenda or purpose that is apart from the deepest thoughts and intentions of the Father's heart. I once heard a man of God state that, "what one compromises in order to keep shall surely be lost" - and that very principle shall now begin to accelerate in the midst of God's children.

A DEEP SPIRIT OF CONSECRATION

As the Holy Spirit is poured forth to a continually greater degree in this hour there shall come forth a deep spirit of consecration in the midst of God's people and this will have two immediate effects:

1. All those who truly love God and desire first and foremost to fulfil their destiny in Christ shall repent of ANY idolatrous practices - whatever they may be (people or things) and enter into the place of rest and the works of righteousness that are their true heart desire. From this place of true repentance the Father will begin to establish these ones in "holy alliances" (glorious connections) throughout

the Body of Christ and together they shall both establish and accomplish their perfect part in the will of God concerning the local (Glorious) Church.

2. All those who have refused to repent shall be drawn deeper into a network of "unholy alliances" which shall keep them bound to the comings and goings of "flesh and blood" rather than the Holy Spirit. These ones shall be encompassed by deep darkness and shall be found fighting against the holy handmaidens and bondservants - but in each and every case - NOT FOR LONG!

A SMALL WINDOW OF OPPORTUNITY

This is a most critical time for those who truly love God to "allow" themselves to be moved by the Holy Spirit into their proper position in light of the Father's plan for the fulness of their destiny in Christ. There is a small (short) window of opportunity for all those who are called to the five-fold ministry and who are being raised up to lead this final onslaught against the "religious spirits" (who - up until now - have still been allowed to hold many in leadership captive to their evil schemes). Many great and glorious things shall begin to manifest in the midst of all those who truly love God in these days as the Glorious Church begins to "get its legs".

THE DANGER OF THE SPIRITUAL "PLATEAU"

"plateau" - a stage or period of leveling off in the development of something or in the process of learning;

In my own experience one of the things that I have noticed consistently in many of those who - up until now - have been in the forefront of ministry in the church is that they have reached a form of "plateau" in their walk with the Lord. Because of their many past victories, successes and blessings they have - through "setting their heart on the increase" of God - begun to become content with the spiritual climate around them, and thus they have "stopped" seeking from the place of a heart "wholly given" in order to perpetuate and maintain what they have gained to this point. The will of the Father, of course, is for each one of us to come to the deep realization that "we have not yet arrived", and that we must continually press on until the Final Harvest is fully gathered - in and by the power of the Holy Spirit. I do not say that these precious brothers and sisters are "conscious" of these

things - but therein lies the problem. In their maintaining of their present position through self-effort they have become blinded (and even hardened) to the deepest thoughts and intentions of the Father's heart towards them - and indeed the entire Body in this most critical and glorious hour.

IN THE FATHER'S SERVICE THERE IS NO ROOM FOR "SELFISHNESS"

Regardless of how many times the basic truths and revelations of God's Kingdom must be repeated, the Father in His longsuffering and patience shall nurse the "babes" - while at the same time feed those who have gone on into spiritual maturity. It is only "spiritual" pride which could deceive one into believing that there is any "excess" at all in the words that come forth through the unction of the Holy Spirit. As the bondservants and handmaidens of God go forth in this last hour to minister His Word to the people, there shall surely be no "excess" or "shortage" in the words they speak and every word which proceeds forth through them shall not return to God without accomplishing that which He desires and without succeeding in the matter for which He sent it (Isaiah 55:11). The Father's first and foremost priority is to meet the "deepest needs" of His children - whatever they may be - and regardless of what place they are in spiritually at any given moment. Therefore, let us hearken to the Word of God which calls us to draw near to Him and let us come into that precious life of abiding; that in all things we might have as our solid foundation the revealed knowledge of the Lord Jesus Christ. Anything less shall constitute rebellion against God and literally force us into a dependence upon the darkened wisdom of this world. Surely, at this late hour, we have come to the realization that the "seeds" which are sown to the flesh shall end in corruption, darkness and death!

LET US, IN HOLY REVERENCE AND FEAR BOW DOWN BEFORE GOD - REPENTING OF ALL THAT HINDERS US FROM LIVING THE LIFE OF HOLINESS

Let us, in holy reverence and "fear" bow down before God, repenting of all that hinders us from living the life of holiness which the Father requires; for as we do so, He shall surely take control of our lives and lift us up to be with Him in the "heavenly" places, holding us close, in the secret place of His Presence. It is a time wherein every true believer must place themselves in a position of nearness to the

Word of God, not only that they might be cleansed and purified of sin, but also that they might be filled to overflowing with God's Presence and THEN as they go forth, God's life and light and love shall be "administered" to all those who cross their path. In the Father's service there is no room for selfishness and therefore every task we are given must have as its root motivation the desire to bless another with the blessings which we ourselves have already been blessed with by God. There is no hoarding or holding the blessings which we have received, but only a continually stronger desire to release those blessings upon all those who cross our path; for, in light of reality, selfishness never seeks to give and it never takes a thought for anyone but itself. Let us therefore "allow" the love of God to be shed abroad in our hearts that we might truly represent the deepest thoughts and intentions of His heart at ALL times.

THE BEST IS YET TO COME

It will always seem like "the best is yet to come" from here on in for all those who truly desire to experience the fulness of the Father's precious and tender love (affection). He is in the process (as many of you well know) of radically expanding and enlarging our hearts in order that we might come to that holy place of abiding in His great and awesome love towards us. Even now, as I write, I am "staggering" under the sheer weight of the purity and heaviness (the Glory) of His tender loving affection towards us all in this most glorious time.

AN ADMONITION CONCERNING DISTRACTION

Do not allow yourself to be "distracted" in any way by any events or circumstances that "seem" to be taking you away from what you would "rather" do. It is extremely important to put aside any "negative" (selfish) thoughts and trust completely in the truth that He is both able and willing to meet the deepest desires and needs of our heart continually - in spite of what others may do or say in a "spirit" apart from the Holy Spirit. This time of refining in the "crucible" will not be for much longer - and even the remaining times will be few and far between wherein we will have to deal with Satan's schemes on this level. The "bottom line" right now for every last child of God who is truly seeking first the Kingdom, is to remember that you are free from any real power to influence you or "force" you off of the Father's perfect path for you, but you must stay in agreement with His will and simply trust Him - regardless of any "former feelings" that may try to arise.

Let us hear the words of the Father:

"ALL OF MY DISCIPLINE IS FOR THEIR GREATEST GOOD"

...."The reason My discipline "seems" not to be joyful in the lives of My children is because in the beginning of their consecration and sanctification there still remains within them the tendency to "view" all things through the eyes of the flesh; but as they diligently pursue holiness and as they separate themselves from the world and are transformed by the renewing of their minds, this same discipline becomes the joy of their heart because they now have a revelation of the fact that all of My discipline is for their greatest good that they might become partakers of My nature. Without the revelation that all I do for them, in this area of discipline, is for their greatest eternal benefit, they will not let go of "the ties that bind them", and in not believing that I am a rewarder of those that seek Me, they shall not diligently seek Me. Because of this they shall not draw near to My Word, and thus the work which I desire to do in their heart shall be greatly hindered. From all these things I have just spoken one can easily see that the one who sets themselves in the position of abiding in My Word, shall allow the Holy Spirit to do the "deepest work of the Cross" in them at a more "accelerated" pace. As My children place themselves in a position wherein they expose themselves to the purifying fire of My Spirit, all that is not of Me shall be consumed and truly I say to you they shall come forth as gold, a fit vessel for My use"....

HIS REPROOF AND DISCIPLINE ARE "ALWAYS" FOR OUR GOOD - THAT WE MIGHT BE PARTAKERS OF HIS HOLINESS

It is time for every child of God to "allow" themselves to be purged of any impurity which would in some way hinder the flow of God's life and love through them. Each one of us, as children of God, need to have a strong heart-desire to be filled to overflowing with the mighty Spirit of God in order that we might radiate His light in the midst of this crooked and perverse generation. How often we undermine our Heavenly Father's will for each of us to be partakers of His holy nature and thus we sometimes allow ourselves to be less than perfect witnesses of our Lord, Jesus Christ. Every believer needs to allow the Word of God to work in their hearts, to burn away the dross, in order that "all" who cross their path might see and meet the living Christ - and having seen Him they will desire only to serve the One who gave His all for them while they were yet sinners. Not one child of

God should ever fear the loving hand of their Heavenly Father, but rather they should rejoice in the fact that His reproof and discipline are "always" for our good: that we might be partakers of His holiness - with the end result being that those who still remain in bondage to the Evil One are set free forever, as they encounter the Living Christ in us!

Let us hear the words of the Father:

"VIEW ALL THAT WOULD SERVE TO REMOVE YOU FROM THE HIGH LIFE AS POISON TO YOU"

...."View all that would serve to remove you from the "high life" as poison to you, My beloved ones, and always realize that even the "smallest things" may be the most important ones to be cautious of, for often times they are the point from which the Evil One will attempt to begin his "wearing down tactics". When My children reach the point where they will not allow themselves to succumb even to the smallest intake of poison - spirit, soul or body - then truly they shall be walking in all the fulness I have to offer and they will be walking in obedience to My command to guard their hearts with all diligence, and truly, truly I say to you, from them shall flow "torrents of living water" to the thirsty masses"....

"DO NOT THINK FOR EVEN A MOMENT THAT I HAVE NOT SEEN EVERY OUNCE OF FAITH EXERCISED BY MY CHILDREN"

...."It gives Me great pleasure to look and see those of My children who have consecrated themselves unto Me, and I say to you this day, they shall be heavily rewarded for their deeds. I shall move on their behalf in all that they set their hand to and they shall be prosperous and successful because of their obedience to My Word, and the world shall continually see great signs and wonders in their lives and all shall know that they belong to Me and that it is My hand which is upon them. Do not think for even a moment that I have not seen every ounce of faith exercised by My children - and again I say to you they shall see their reward! For I shall exalt them in the sight of all My people and greatly shall My name be magnified in the earth"....

"THERE ARE ONLY TWO PATHS"

...."I direct the feet of My children onto the path I have chosen for them and prepare perfectly the way before them. One needs to hear the voice of My Spirit in order to walk in the fulness of this revelation; for if one seeks to lean on their own understanding and go their own way they will surely enter onto the path which the Evil One would have them on. Truly, truly I say to you there are only two paths: one leading to death and one leading to life; one leading away from Me and one leading to Me. My children must choose to remain constantly on the path which I have chosen for them, for deep darkness shall enshroud those who turn their faces from Me"....

"SPIRITUAL DARKNESS"

...."Spiritual darkness is caused by a greater desire to be "right" in one's own thinking, than to come to the knowledge of the truth at all cost to the "flesh". Spiritual darkness only exists when the "natural" is put in the place of the "divine"....

THE FATHER IS DRAWING MANY VERY NEAR TO HIMSELF AND HIS WORD FOR A TIME OF "FINAL PREPARATION"

The Father is drawing many very near to Himself and His Word for a time of "final preparation" in which He shall not only prepare you, but "position" you. In this time in the "inner chamber" take no preconceived notions (and there are many to take - if we so choose) and simply allow Him to reveal - in and by His Spirit - "exactly" what He desires to reveal to your heart.

Let us hear the words of the Father:

"ONE MUST BUILD A CAPACITY"

...."As the minds of My children are renewed to My Word, they will surely grow to love Me more and more. For one must build a capacity for My Spirit to dwell within the temple" and indeed My love shall be shed abroad in their heart, and through them that Love shall be poured out on all flesh"....

"THE NEED FOR CONSECRATION AND HOLINESS"

...."My children must learn to act on the impressions I place upon their spirits. For many times when I desire to lead My children I will strongly impress upon their hearts an instruction, or guidance which is most certainly in accordance with My Word. It is in this way that I am enabled to guide My children into the "specific place" they are to be, according to My will, at all times. Many of My children act upon an impression which is favourable to their comfort or the desire of their flesh; but as soon as I ask them to give of themselves in some way: spirit, soul, body or materially - which in their eyes might serve to cause them lack - they are bound immediately by a spirit of reluctance to carry out My will. From this one can see the need for consecration and holiness within the church in order that the sin which has been so prevalent up until now, be put aside and cast out. Indeed the time has come for selfishness and deceit to be removed from My church. For too long many of My children have continued to put themselves first at the expense of their brothers and sisters, many of whom have been raised up as apostles, prophets, teachers, evangelists and pastors for their edification and blessing. Many have been held captive by the Evil One to do his will, but truly, truly I say to you, this shall end abruptly, for again I say to you if one chooses to reject My bondservants, they have chosen to reject Me!"....

ALWAYS REMEMBER:

NO PRAYING IN THE SPIRIT AND MEDITATING ON THE WORD - NO REVELATION; NO REVELATION - NO WISDOM; NO WISDOM - NO LIGHT; NO LIGHT - CONFUSION AND DARKNESS AND FAILURE LEADING TO FRUSTRATION AND DISAPPOINTMENT!

IT IS A TIME OF PRAYER AND LIVING THE "FASTED LIFE" - WITHOUT EXCEPTION!

It is important for every child of God to stay sharp and alert and be diligent in even the smallest of the small details - many times that is where the door to the fulness of "breakthrough" is! The Father is about to "unfold" ALL that He has for us in ways far beyond our wildest imaginings, so we would do well to take no preconceived notions and rely totally on the Holy Spirit to reveal the heart of the Father to us continually in these days. It is a time of prayer and fasting for all those

children of God who truly desire the fulness of His will for their lives and ministries. It is VERY important in this time to seek the face of the Father concerning the deepest issues of His heart. In light of these things let us be found setting ourselves aside unto the Father and His Word in these days until we get a definitive answer and/or confirmation from the Throne Room concerning all things pertaining to the perfect maintenance of life and godliness in our midst. Regardless of any circumstances we might find ourselves in at any given moment we must - first and foremost - always desire to be in the "proper position" that the Father would desire us to be in. The Father has some things to reveal to His handmaidens and bondservants concerning this "final push" to the finish line, but one MUST be in perfect position to receive ALL that He has for them. Every last detail MUST be discerned with a perfect discernment - not only in this time but for the rest of our time here in this dispensation. This last statement shall soon become evident very quickly in the midst of God's people!

"SPIRITS" OF DISTRACTION

Satan's scheme against all those who hold to even the least ground of "self-desire" (unconsciously in most cases) is to send "wave after wave" of "distracting spirits". The simple task of these "evil spirits" is to keep the child of God "unfocused" where the Word is concerned and thus focused on those things that "gratify" their soul (mind, will and emotions). If one "allows" themselves to be held captive to "any" degree by these "spirits of distraction" then "revelation" from the Word of God is cut off from them because "every thought" these "unknowingly deceived" ones take will be "brought captive" to self-indulgence and the self-exaltive practices which serve only to sustain "their" vision or revelation - which is not a true vision or divine revelation, but rather, darkness and death in their most refined form (deception)! As the Father sends forth the first wave of many waves of His holy apostles and prophets these "spirits of distraction" shall be both fully exposed and driven out of the midst of the congregations of those who truly love God. The anointing given to these consecrated bondservants and handmaidens shall produce a strong Spirit of consecration and holy reverence for the Word of God in the midst of all those whose hearts are truly toward the will and plan of the Father for the establishment of the True Local Church.

Listen to the heart of the Father and discern the lateness of the hour and the season which has now come upon us:

"MY WORD SHALL ONCE AGAIN BE GIVEN HIS PROPER POSITION"

...."It is certain, that in this hour, I shall move powerfully in the midst of all those who truly desire to walk in the fulness of My plan for their lives and ministries - both individually and corporately. I shall send forth My holy apostles and prophets and I shall pour forth great torrents of living water upon all those whose hearts are willing to receive the precious blessing(s) I desire to bestow upon them. These blessings are for both their "sustenance" and empowerment to walk in and fulfil the fulness of all that I created them for from before the foundations of the earth. The first and chief effect of the beginning of this true and final Revival of Revivals in the midst of all those who truly love me shall be a holy reverence for My Word. My Word shall once again be given His "proper position" and the "exaltation" of the name of Jesus shall once again become the "driving force" behind "every" word and action of My faithful ones. For too long many of my children have been caught up in a false manner of "praise and worship" and thus they have made a "parody" of the true work of My Spirit. They, in their affection for the "world", have denied Me the true fellowship that I desire and exchanged it for fellowship with "flesh and blood" and the "certain" euphoric gratification of the soul that it brings. Remember this, My beloved children, and it shall serve you well in your remaining time in this dispensation:

"All" true praise and worship is "always" rooted and grounded in an abiding obedience to My command for you to "meditate in My Word day and night" and "bring every thought captive" to Him (the words of His/My mouth and the mind of His/My heart) for it is only from this place of an abiding, intimate fellowship with Me and with My Word that true praise and worship can even exist let alone touch My Throne Room.

"EVERY HEART-DESIRE AND MOTIVATION BEHIND EVERY WORD AND ACTION SHALL BE EXPOSED FOR WHAT IT TRULY IS"

Truly I say to you, as I release My holy apostles and prophets into the midst of the congregations, every heart-desire and motivation behind every word and action shall be exposed for what it truly is. As the anointing is released (poured

forth) in the midst of My children there shall fall - like a heavy cloud - a deep and strong Spirit of consecration and this shall produce, in the heart of all those who truly love Me, a hungering and thirsting for "revelation knowledge" heretofore unparalleled in their midst. This shall immediately produce an "explosion" of power and light and wisdom that shall literally turn the "world" - and everything in "fellowship" with it - upside down; first, in the midst of My people and then - as a deep and thorough repentance is acted upon - I shall pour forth My Spirit to a continually greater degree through My Glorious "vessels" in both the highways and the byways in every corner of the earth!"....

WE ARE NOW ENTERING INTO A TIME OF "RAPID CHANGES"

We are now entering into a time of rapid changes - and that is an understatement. Those who are not prepared to change with the flow of the Holy Spirit will not fare very well in this hour. We shall now see who truly is willing to do all of the Father's will and those who are not! Things are about to change radically - far beyond the scope of all human understanding. It is surely the time for each one who would truly love God to "cry out" daily with an intense devotion - petitioning the Father for the continual enlarging of their heart. If Christians are not ready in this most critical time THEN quite simply they will BEGIN to miss the fulness of the Father's intended blessing and it will become quite evident to one's heart VERY soon. I will say this: there are certain "suddenlies" about to overtake us that are beyond our comprehension at this time (in other words we cannot figure out exactly what is about to take place).

"ACCELERATION" IN THE SPIRITUAL REALM

It is extremely important to be sensitive to the Holy Spirit from here on in - in even the smallest of the small details. This is truly an exciting time and we would all do well to guard our hearts with all diligence KNOWING that the Father is faithful and that He is watching over every last word He has ever spoken to our hearts concerning future ministry and positioning. Each step we take from here on is no less important than any other, but one difference we shall soon see is the "acceleration" in the spiritual realm of God's plans. In other words what has taken years to happen will now begin to happen in months and what would normally have taken months will now take weeks and what normally would have taken weeks will now take days, etc. In light of these things ONLY those abiding in the

Spirit of wisdom and revelation will be able to stay on the "narrow path" of perfect obedience. No wonder there was a call for the Body of Christ to "fasten their spiritual seat belts" - it truly is going to be some kind of ride!

A CERTAIN ONSLAUGHT IS ABOUT TO BEGIN!

I perceive that there is a certain onslaught about to begin and even though those Christians who are truly seeking to carry out the will of God are protected - they MUST proceed with a holy caution in order to avoid any unnecessary "rough waters". The "rough waters" just ahead are the type that the "inexperienced" soldier might "drown" in - or at the very least be overwhelmed to the point of total confusion and defeat. Now we shall truly see whose heart belongs to God and those hearts who do not! Those who have held to a steadfast faith and obedience - and thus have allowed the Father to bring them into a perfect positioning - shall have the opportunity to pull some out of the "rough waters", but some - because of stubbornness and pride - shall refuse the help and, in doing so, shall leave themselves open to the vilest attacks of the Evil One. Regardless of what happens on any front we must be found ready - for the good news is that those who are prepared shall gloriously rise above the schemes of Satan and be great signs and wonders to those who are seeking God - throughout the earth.

WE MUST BE FOUND READY AND "PLIABLE"

The Father has given much revelation to the Body of Christ in the past few months on at least the "structure" (outline) of His plan for establishing the proper "spiritual environments". All those whose hearts are wholly given to the highest purposes of the Father must continue to set themselves to be ready and "pliable" to whatever He desires to do. This whole thing (the establishment of the Glorious local Church) will have to come down by faith, love and obedience - and faith, love and obedience alone! The coming judgement on the "household of God" will clearly show that the one who is not "abiding" in faith, love and obedience will not be able to stand - AT ALL!

THIS HOUR WILL DEFINE THE TRUE STATE OF EACH ONE'S HEART

This hour will define the true state of each one's heart and those who continue - in their stubbornness and rebellion - to hold fast to anything apart from

Christ (and do so in His name) shall surely be seen for what they are. This is not something that I take lightly, for the very essence of my entire calling is to lead those that the Father has given me into the "fulness" of their inheritance in Christ. I firmly believe that as long as any given child of God is still "breathing" then there is still an opportunity for them to enter into a deep and thorough repentance (as long as there is still a "seed" of desire for repentance in their heart).

A TIME OF GREAT TUMULT AND TURMOIL - RAPID AND FREQUENT CHANGES

This is a time of great tumult and turmoil which shall cause the heart of unbelief and fear and pride to fail EVERY time and in EVERY situation. The very methods and patterns that had been used in the past by these unbelieving ones in order to form their "own" comfort and security will not work in the days to come. The rapid and frequent changes that are manifesting in the earth to a greater degree with each passing day shall cause those whose hearts are not "established" in the Word of God to fail them and they shall be easy prey for Satan and his forces. Only those whose hearts are rooted and grounded in the love of God and whose minds are continually being renewed through the practice of constantly bringing EVERY thought captive to a revelation of God's Word shall be found "fit" to be called "disciples" of the Lord Jesus Christ. It is only these faithful and obedient ones that shall be entrusted with the fulness of the riches of God's glory in Christ Jesus and thus - in entering into the fulness of the Kingdom - they shall finish with perfect diligence the great and glorious plan of the Father in their remaining time in this dispensation.

Let us hear the words of the Father:

"I DESIRE HOLINESS IN MY CHILDREN"

...."The thoughts and words and actions of My children declare the deepest intentions of their heart. As I have spoken, each one of My children shall be laid bare by the light of the consuming fire of My Spirit; for I desire holiness in My children and yet some refuse to walk uprightly before Me, but choose only to appear upright before men. But I say to you, in this day of My judgement, all will clearly see those who serve Me and those who do not, and My name shall no longer be blasphemed amongst My people. For by honouring traditions and

doctrines of men, they have broken covenant with Me and truly I say to you this is a serious matter!"....

A NEW LEVEL OF DISCERNMENT

When I am in any kind of situation which involves "many crossroads" I sit tight on all fronts until the Father makes ALL things evident as far as the next step goes. I continue to believe for a miracle (divine intervention) that will open and shut the necessary doors to get me where I am supposed to be in the Father's plan in these coming days. The whole essence of the Glorious Church (Kingdom) age is simply each individual believer being in the right place at the right time doing the right(eous) thing - all, of course, empowered by the Holy Spirit. These days we are in now are final training and preparation for what is about to come forth. I am telling you right now things will be amplified many times over! If we do not learn to wait properly on the Holy Spirit now - it will be impossible to hear the "still, small voice" - and I do mean impossible - when the true Kingdom work begins to escalate in our midst. We are about to move to a new level of discernment that transcends anything we have ever seen in the church - up until now - and IT IS CERTAIN that we shall need it.

WE ALL ARE TRULY ON THE "THRESHOLD OF THE THRESHOLD"

We all are truly on the "threshold of the threshold" and definitely this time now is clearly a time of reflection and of course the culmination of all that we have learned up until this time. There is no question that the "next phase" of the Father's plan will be most glorious and that it shall soon be upon us in its fulness. Let every child of God continue to diligently seek the Father's perfect will and positioning - in His perfect timing. This is truly a most critical hour and it is certain that every child of God with a heart to fulfil their portion of the Kingdom-work MUST not be found carrying any "excess" (soulish) baggage.

DEFINITE PREPARATIONS

Throughout the entire earth vast multitudes have heard of the call to make "definite preparations" - in and by the Holy Spirit - to order their lives in the manner of a perfect consecration and separation unto the Word of God, but it is now, in this time, when we shall find out who has truly been "hearing" the voice of

the Holy Spirit and who has been "mentally ascending" to the words from the Throne Room. The chief underlying scheme of the Evil One in attempting to bring one under the influence of a "spirit of mental ascent" is that they become hearers (outwardly) - and, because of this, "non-doers" of the Word they hear.

**UNLESS ONE'S HEART IS "WHOLLY GIVEN" TO GOD THE
"ENTRANCE" OF THE WORD WILL NOT OCCUR**

Unless one's heart is wholly given to God the "entrance" of the Word will not occur, and thus they leave themselves very much open to the deception that what they have heard is "from God". As they base their "corresponding" words and actions on the so-called "revelation" they have received their steps are being both controlled and ordered by Satan and his forces - their chief aim: to hinder the establishment of the True (Glorious) Church and to undermine the people's "trust" in the Father's delegated authorities. This "mistrust" which - if not thoroughly dealt with by the Father in the midst of His children - would continue to block the establishment of a true working five-fold ministry in the Body of Christ throughout the earth.

**THERE IS ONLY "ONE" POSITION WHEREIN WE CAN CORRECTLY
AND READILY IDENTIFY THE "SCHEMES" OF THE EVIL ONE**

When Peter wrote, "but sanctify (set apart) Christ as Lord in your hearts" he was simply expressing the Father's deepest heart desire for His people to set His Word and Spirit above "all" else at "all" times. It is our job to give His Word preeminence. It is His task to do the sanctifying - that is, "keep" us by "His" power in that holy place above and apart from anything that would cause us to fall short of all that He has provided for us in Christ - the Anointed One and His Anointing. When the Father asked us to sanctify Him in our heart He was calling us to draw near to Him in the "secret place of His presence" for it is only as one "abides" in this position that He can "reveal" Himself to them in the way that He "longs" to with each and every one of His beloved children. I know that, at times, as we move deeper and deeper into the fulness of our particular calling and the exercising of our "gifts," Satan attempts to "jam" our signals. This is precisely why each one of us "must" continually draw near to God - thus sanctifying Him in our hearts - for there is only "one" position wherein we can correctly and readily identify the "schemes" of the Evil One and that is "seated" with the Father in the

heavenly places in the Anointed One and His Anointing!

IN A VERY SHORT TIME THERE WILL BE NO "SECOND OPPORTUNITIES"

In light of all these things we must do whatever is necessary to put forth the absolute Truth in the fulness of conviction at all times. We are about to enter into a time and place heretofore unseen in the Church and in the world and if just one "ministry" - individual or corporate - can be led (through a deep and thorough repentance) from a place of "mental ascension" to the place of revelation concerning the will of the Father for their lives and ministries then it would be worthwhile! In a very short time THERE WILL BE NO SECOND OPPORTUNITIES for the disobedient (rebellious) children of God to come into the "fulness" of His plan in the remainder of our time in this dispensation and, as horrifying as this scenario is: actually be found fighting against God and those of their brothers and sisters who are walking (abiding) with Him.

FINAL PREPARATION AND "FINE-TUNING"

It is clearly a time for all those who truly love God to "hold fast the vision" - and whatever revelation knowledge - that the Father has blessed them with throughout the years! We (by "we" I mean all those who truly desire to walk in the fulness of their destiny in Christ) are all going through much the same type of thing - even though the circumstances are varied. In these days it is the final preparation and "fine-tuning" for entrance into the fulness of one's "Kingdom-position" - as we are moving rapidly towards the greatest breakthrough the Church has ever seen. As this holy "fine-tuning" ("torching") intensifies one must continually "allow" the perfect love of the Father to cast out ALL fear - and thus come to the clear realization that is simply the consuming fire of the Holy Spirit doing the deepest work of the Cross in them. Only those whose hearts are "wholly given" will experience this glorious breakthrough and when the "smoke clears" all those who have been faithful will enter into a place spiritually - and every other way - never thought possible this side of Heaven itself!

THE EVIL ONE IS SIMPLY A "PAWN" IN THE FATHER'S HAND

It is time for all those who truly desire to serve God to take the position by faith of seeing everything that Satan and his forces are attempting to discourage and hinder them with as an "advantage" - an opportunity to continually exercise the absolute faith and perfect love that are necessary in any given situation. The Evil One is simply a "pawn" in the Father's hand - as far as those who truly love Him go. Whatever Satan has meant for harm in the past for those children of God who have been faithful will be turned for great good and glorious eternal benefit - which will take effect both in this age and in the age to come.

THE SUFFERING THAT WE ARE CALLED TO IS TO RESIST ALL THAT WE HAVE BEEN REDEEMED FROM IN CHRIST

As far as "suffering" for righteousness' sake: it is extremely important for each and every one of us who are truly seeking the Father's will to remember that the "suffering" that we are called to is to resist ALL that we have been redeemed from in Christ. It has nothing whatsoever to do with one continuing to live under the "curse" - and the law of sin and death from which we have been wholly redeemed by the precious Blood of Jesus. So when people around us are used by the Evil One in his attempt to provoke us to a place outside of God's love then we are to "continually" resist his attempts - at ALL cost to ourselves.

Two things are certain initially as one is faithful to go the "extra" mile in faith, love and obedience:

1. The Father is faithful to NEVER allow the Devil to do more than we can stand.
2. The Father is faithful to FINISH the work that He has begun in us.

As long as we remember these two things then we shall ALWAYS overcome, and ultimately be used to turn the tables on the Evil One and all of his schemes - in a BIG way!

**UNLESS EVERYTHING THAT CAN BE SHAKEN IS SHAKEN
(EXPOSED AND CONSUMED) THEN ONE WILL NOT BE FOUND A
"FIT" VESSEL IN THE MASTER'S SERVICE IN THE DAYS AHEAD**

Every child of God can truly rejoice in this time of purging ("torching") because unless everything that can be "shaken" is shaken then one will not be found a "fit" vessel in the Master's service in the days ahead. In other words, if there is ANY part of the soul-life that remains dominant (seeks its own) in the Christian they will not be able to enter into the fulness of their "Kingdom-position" in Christ - without exception! Not only will one not enter into their proper position but the "ground" of self-desire that they have "held to" will surely "allow" the Evil One to do them great harm in the days of intensified warfare which are just ahead. It is not that the Father loves any of His children more than any other. It is simply a matter of being "fit" (having no fear or emotional attachments) to carry out the mighty exploits that He has planned to both devastate Satan and set the captives free - from now until the end of the age. As the child of God holds fast (in faith and obedience) to the revelation that they already have in their heart. It is certain that they will see the perfect love and wisdom of the Father towards them - concerning these past days and months (and even years) - in the glorious days and months ahead. The end product of this is that they will experience nothing but a continually deeper thanksgiving toward Him for His perfect handling and preparation as they enter into ALL that He has called them to from before the foundations of the earth.

**THE "FORCE OF RIGHTEOUSNESS" IS ONE OF THE MAIN TOOLS OF
GOD'S JUDGEMENT - AND THE CONVICTION OF THE HOLY SPIRIT -
FOR IN ITS PATH IT EXPOSES AND REVEALS "ALL" THAT WHICH
IS "UNRIGHTEOUS"**

As the child of God continually remains (abides) in the place of righteousness - that is theirs in Christ - then, as they go forth in obedience, the force of righteousness shall be released into every situation and circumstance that is in their path. The force of righteousness is one of the main tools of God's judgement - and the conviction of the Holy Spirit - for in its path it exposes and reveals all that which is "unrighteous". In these last days - in the greatest outpouring of the presence of God this earth has ever known - the "forces" of the Kingdom shall be poured forth upon all flesh to a continually greater degree, and

ultimately will cause a perfect separation between those whose hearts are "wholly" given to God and those whose hearts are not - first in the midst of God's people and then, through a refined and Glorious Church, out into the world.

EVERYTHING THAT THE FATHER REQUIRES OF US IS BASED ON AN ONGOING RELATIONSHIP WITH HIM - AND AN ONGOING RELIANCE UPON HIM

The force of faith - working from the position of an abiding love - is the impetus and empowerment in ALL true Kingdom-service. In these days we need to be "partakers" of the Word on an ongoing basis. We need to be those who meditate in the Word of God day and night and continually bring EVERY thought captive to the revelation knowledge that will be the sure and certain by-product of our time spent in that diligent meditation before the Father and His Word. Everything that the Father requires of us is based on an ongoing relationship with Him - and an ongoing reliance upon Him. If one does not enter into the place of total reliance upon the Father and His Word in this last hour then they will SURELY come into a place of total reliance upon themselves - and the lies of the Evil One - and will not even realize that they have departed from the perfect will of God for their life and ministry.

WE ARE COMING DOWN TO A TIME OF "ABSOLUTES"!

In the days ahead those of God's children who are truly seeking Him with ALL of their heart will be very, very conscious of the fact that they are abiding in the center of His perfect will for their life and ministry. The darkness and the "pressures" are going to increase continually in this last hour, but so is the presence of the Glory of God in those whose hearts are faithful toward Him. We are coming down to a time of "absolutes". One can no longer have one foot moving towards the Kingdom and one foot in the "world". Every last person shall be brought to the point of an absolute decision - either for God or for themselves. In this last hour if one's heart is inclined towards the "world" then it will be pulled (drawn) "fully" into its ways. On the other hand, if one's heart is inclined towards the Kingdom and the fulness of the Father's purpose then that heart will surely be brought into an abiding and proper positioning before Him.

WHEN IT COMES RIGHT DOWN TO IT ALL THAT MATTERS IS WHAT GOD HAS SAID, WHAT GOD HAS DONE - AND WHAT GOD IS DOING!

Every child of God must come to the deep realization of the fact that when it comes right down to it all that matters is what God has said, what God has done - and what God is doing! If one is abiding in the center of the God's will then not only shall they overcome in ALL things, but they shall be used by the Father to turn and devastate the very "ground" in the people that the Enemy is using against them. Because of this many captives shall be gloriously set free in the days just ahead because they will have been put in the presence of a Living (Loving) God by all those who have made it their priority to be pure and holy vessels.

"MANY HAVE BEEN USED BY SATAN AND HIS FORCES TO ESTABLISH AN ENTIRE NETWORK OF SO-CALLED CHRISTIAN SERVICE - BUT, IN REALITY, IT IS A SERVICE AND RELATIONSHIP THAT DOES NOT HAVE ITS ORIGIN IN CHRIST"

How the heart of the Father is both hurt and disturbed by the continual adherence of many of His children to a spirit of self-reliance (the leaning of one upon their own darkened understanding through ANY form of agreement with the lies of the Evil One). In their failure to "allow" Him - by the power of the Holy Spirit - to bring them to the place wherein they have learned to continually acknowledge HIM in ALL of their ways, many have been used by Satan and his forces to establish an entire "network" of so-called Christian service - but, in reality, it is a "service" and relationship that DOES NOT HAVE its origin in Christ - the Anointed One and His Anointing. What this has produced is a spirit of mass confusion where the "world" is concerned - as they look out upon the church. This strategy of the Evil One, alone, is responsible for great numbers remaining in heavy bondage to the deep darkness that is increasing day by day in the world. There is only one possible solution to this problem and that is the advent of a true and Glorious Church - a Church that is both possessed and ordered by the Holy Spirit. A corporate Church where Christ is truly ALL in ALL!

"THERE ARE MANY IN THE CHURCH WHOSE LIVES REMAIN DEVOID OF LIBERTY"

There are still many who are totally unaware of the intense (fiery) and absolute judgement of God that is about to come forth to an even greater degree in the midst of His people. There can only be one reason for this, and that is a failure of the child of God to enter into - and abide in - the perfect fellowship daily that is required of them by their loving Father. In these days ALL that has its origin apart from Christ is going to be exposed! Even now, there are many in the church whose lives remain devoid of "liberty" ("where the Spirit of the Lord is, there is liberty"), and thus they are "powerless" to escape the horrendous consequences that they have sown to in their unbelief and religious exercise. There are others whose ministries are crumbling around them. This is not a result of Satan's attack, for it is certain that they were already in his control and being used by him to keep many children of God far below the fulness of their precious inheritance in Christ. This "crumbling" is the perfect result of a holy God humbling ALL that has sought to exalt itself above His holy Word (Will)!

"IF ONE CONTINUES ON WILFULLY IN THEIR RELIGIOUS EXERCISE IN THESE DAYS THEY WILL INDEED FALL FAR SHORT OF THE GLORIOUS KINGDOM-POSITION THAT THE FATHER HAS FOR THEM"

It is the heart of the Father for each and every one of His children to enter into His presence daily in order that His Glorious light might continually shine forth in their heart - both unearthing and consuming any "ground" that is at enmity with His precious and tender love. If one continues on wilfully in their "religious exercise" in these days they will indeed fall FAR short of the glorious "Kingdom-position" that the Father has for them, and they will surely be found "unfit" to carry the banner of truth and righteousness and love that will go before His glorious Army in this final battle of the Church Age. In this Army no "treachery" will be found, or any other heart-attitude which promotes the self-exaltation and self-agenda which are an affront to the precious Blood of Jesus and the heart of a perfect and holy Father. Let us be found true, faithful and trustworthy to the highest purposes of the Kingdom in these most glorious days. Let us be diligent to acknowledge the Father and His Word in ALL of our ways. For it is in this way - and this way alone - that we will have the divine assurance in

our heart that we are in the center of the Father's will - perfectly motivated by His love in ALL things.

DEFINING "KINGDOM-POSITION"

"Kingdom-position" is simply that place - both spiritually and physically (locationally) speaking - wherein one is found "seeking first the Kingdom, and also found seeking to be righteously motivated in ALL that they say and do". From one's continued obedience they will ultimately fulfil ALL that they were created for in Christ. While it is first and foremost a spiritual positioning it also applies to one's physical positioning as a "member" of the Body of Christ.

"AS LONG AS ONE MAINTAINS THEIR DESIRE FOR THE FULNESS OF THE FATHER'S WILL HE SHALL SURELY BRING THEM TO THE PLACE HE HAS ORDAINED FOR THEM - BOTH SPIRITUALLY AND LOCATIONALLY"

There are many whose hearts are "wholly given" to the highest purpose of the Father for their life and ministry who have not yet entered into their Kingdom-position (locationally speaking). They have been in the cave so to speak (some for many years) as the Holy Spirit continued to work the deepest work of the Cross in them. In these days many shall begin to come forth in obedience to release the revelation knowledge that they have been given by the Holy Spirit throughout the years. Others have remained within the "denominational structure" - some for the purposes of God, and some because they are still more "comfortable" (due to fear) in the structure ("network") formed by man. Either way, in these days there is tremendous "movement" taking place in the Body of Christ as the Father continues to bring all those who truly love Him into their "proper positioning" for the glorious days ahead. As long as one maintains their desire for the fulness of the Father's will He shall SURELY bring them to the place He has ordained for them - both spiritually and locationally. Every last child of God should seek to have the divine assurance deep in their heart concerning these things. Being in the right place at the right time - righteously motivated in all things is the divine pre-requisite for one to enter into the fulness of Kingdom-living.

"IF THE WORD OF GOD IS NOT GOING FORTH WITH PERFECT ACCURACY IN ANY GIVEN PLACE THEN THERE WILL BE AN "INDOCTRINATION" (DARKNESS) OF SORTS TAKE PLACE"

Every Christian MUST come to the full realization that it is ONLY faith that will allow - and cause - them to come into the "fulness" of the Father's plan for their life and ministry. Those who truly desire to come to the place of abiding in "Kingdom-life" - the only position that one will find their true destiny (destination) in Christ - will know by the Spirit when it is time to break ties with others in their "present positioning" in the church (I will say this: the hour is most certainly getting late for one to remain in any place not ordained by God!). One thing is certain if the Word of God is not going forth with perfect accuracy in ANY given place then there will be an "indoctrination" (darkness) of sorts take place that will keep one from entering into the fulness of their Kingdom-position - and thus the fulness of the Father's Plan for the Third Day (Glorious) Church.

"THE TRUE SPIRITUAL ENVIRONMENTS WILL BE MADE EVIDENT BY THE HOLY SPIRIT TO THE HEART THAT IS TRULY SEEKING THE FULNESS OF GOD'S WILL"

As the Glorious Church begins to take legs the Father is establishing true "spiritual environments" throughout the Body of Christ, and those who have put themselves in a position to hear the still small voice of the Holy Spirit are either being led to those places or, at the very least, partaking of the various resources (revelation) that is coming forth from the Throne Room through them. These "environments" will be made evident by the Holy Spirit to the heart that is truly seeking the fulness of God's will and they will be established exactly where they need to be established in order for them to produce maximum results for the Kingdom in their life and ministry.

"ONLY ONE THING REMAINS FOR THOSE WHO TRULY LOVE GOD"

We are on the threshold of the greatest outpouring of God's presence this earth has EVER seen. The key for every Christian, of course, is holiness. Only one thing remains for all those who truly love God and that is for them to daily enter into the perfect fellowship that the Father requires of them. As they are obedient in this they shall surely gain the necessary wisdom and assurance and direction that

will keep them in a perpetual state of "being ready" for whatever transpires in the glorious days ahead.

IT IS CERTAIN THAT IN THESE DAYS EVERY TRUE, SEEKING CHRISTIAN MUST CONTINUALLY ALLOW THEIR HEART TO BE ENLARGED AND THEIR MIND EXPANDED CONCERNING THE DEEPER THINGS OF THE KINGDOM

As the Christian enters in to the "inner chamber" daily a distinct renewing of the mind takes place - a renewing that will take one far above the world and its ways. This continued renewal of the mind will replace every previous mind-set with a revelation of the true Kingdom-life and positioning that is theirs in Christ. In coming into this place of conformity with the deepest desires of the Father's heart comes also a spontaneous manifestation in daily life of His perfect empowerment in ALL things. It is certain that in these days every true, seeking Christian must continually allow their heart to be enlarged and their mind expanded concerning the deeper things of the Kingdom and the Father's plan for the establishment of the Glorious (Local) Church throughout the earth.

THE FATHER, IN THIS HOUR, IS GOING TO BE ABLE TO ESTABLISH VERY QUICKLY WHATEVER HE DESIRES TO ESTABLISH CONCERNING THE CORPORATE CHURCH THROUGHOUT THE EARTH

As the children of God come into that place of abiding in holiness (faith-love-obedience) Satan and his schemes will not be able to stand against them - or before them - as they go forth in obedience to the leading of the Holy Spirit in this final hour. Another element of this place of abiding in holiness is that one shall be found to have no ground remaining within them from which Satan could speak or act through them via some form of "religious spirit" - or indeed any other evil spirit seeking to hinder the establishment of the True Church. Because of these things the Father, in this hour, is going to be able to establish very quickly whatever He desires to establish concerning the corporate Church throughout the earth. It is the deepest desire of the Father's heart to see the Glorious Church established in each and every nation for it is only a "glorious" Church that will represent Him perfectly - continually exalting the name of Jesus to the greatest degree, devastating Satan to the greatest degree and blessing (empowering) to the

greatest degree all those whose heart is truly towards Him.

IF THE DEEPEST DESIRE IN THE HEART OF THE CHRISTIAN IS NOT TO FULFIL THEIR DESTINY IN CHRIST WITH PERFECT ACCURACY THEN THEY NEED TO REPENT IMMEDIATELY!

What keeps one from "falling away from the living God"? Drawing near to Him! As one takes a step in faith and obedience toward Him THEN, the scripture tells us, He will draw near to us. When the Father says that He will draw near to us then it is certain that He will draw near to us and reveal Himself to us in the manner that we need to fulfil our destiny in Christ - whatever that may be. If the deepest desire in the heart of the Christian is not to fulfil their destiny in Christ with perfect accuracy then they need to repent immediately! The reality of our very existence as born-again children of God is that we were bought with a GREAT PRICE - that we might NO LONGER live for ourselves to ANY degree and that we might come into that glorious place of abiding in the Kingdom even though we still "physically" walk this earth.

May the Spirit of wisdom and revelation rest heavily upon - and work mightily within - you as you meditate on these words and may you be perfectly prepared in this most critical and glorious time to accomplish the fulness of the Father's will in the midst of His people.

Amen
